### WHO CAN NOMINATE?

Any natural person, whether acting on their own behalf or on behalf of any company, entity or organization, may make nominations. People may nominate themselves, their companies or their offerings.

### LANGUAGE

Please enter all information in English.

## INFORMATION OF THE PERSON SUBMITTING THE NOMINATION

Nominations that do not include the name of the person submitting the nomination (family name and at least one given name) and their email address and phone number will be discarded. It would also be helpful if you provided your company and job title, if applicable. We may contact you to verify or clarify information in the nomination.

You may make as many nominations as you wish, but you must submit a separate web form for each nomination.

## INFORMATION OF THE COMPANY, PERSON OR OFFERING BEING NOMINATED

Generally, the more information you can provide us, the better. However, keep your information clear, organized and non-repetitive. Don't over submit. Remember the judges will have many nominations to look at. The more information you provide in a clear, concise and understandable manner, the better your nominee's chance of winning.

For categories 1, 2, 3, 4, 5, 6, 11 and 12 the nominee will be an offering.

For category 7 the nominee will be a person.

For categories 8, 9 and 10 the nominee will be a company.

Write in clear sentences and break your writing up into paragraphs. Do not write any more than 2,500 characters in the text submission box. Any information after 2,500 characters will be truncated, even if that happens mid-sentence.

You may upload up to 8 images. Please ensure they are no bigger than 2,000 pixels in width or height. Any image greater than 2 MB will be discarded.

You may provide a link to a video which is uploaded online. It should not be any longer than 3 minutes, and it may well be more effective if it is shorter. The judges will be instructed to ignore any footage after 3 minutes on any video.

You may upload a PDF up to 10 pages. Pages should fit comfortably on a laptop computer screen. A4 or Letter size is ok. Your PDF file may not exceed 5 MB.

You may upload a Powerpoint presentation of up to 10 slides. Slides should fit comfortably on a laptop computer screen. Your Powerpoint file may not exceed 5 MB.

Be selective in what you upload. If you upload 2,500 characters of text, 8 images, a link to a 3 minute video, a 10 page PDF **and** a 10 slide Powerpoint presentation this will likely overwhelm the judges. It is probably better to upload some of these items but not all of these items.

Remember it is quality, not quantity, that will win favor with the judges.
