

BEST INDUSTRY SUPPLIER

SG Gaming

- Scientific Games was founded in 1973. The company has brought the significant business growth with ever increasing market share by supplying 30% of slots machines and 100% of the card shufflers chippers, electronic table gaming products, providing table games and casino management systems to Asia and the global gaming industry.
- SG is made up of 3 divisions, SG Lotteries, SG Digital and SG Gaming (for land based casinos)
- Acquired the world's leading interactive and sports betting Group NYX in Jan 2018, extending the broadcast portfolio of industry leading content, technologies, digital products and service across iGaming, iLottery and Sports Betting.
- The company continues to deliver what customers and players value most: trusted security, creative content, and innovative technology and aim to deliver the best gaming experiences to the customers.
