

## BEST INDUSTRY INNOVATION

### Shuffle Star, SG Gaming

The Shuffle Star continuous shuffler revolutionizes the way cards are delivered to players. With capacity for four to eight decks, Shuffle Star provides operators with the ultimate deck integrity and uninterrupted play. The sleek, flush mounted, low profile design of this flat dealing shoe improves line of sight for supervisors and effortlessly delivers up to three cards per second. Featuring on-board card recognition with two cameras and real-time card inventory, and miss-feed detection to prevent loading jams, this ergonomic shuffler is sure to improve continuous game play.
