### Zombie Blackjack, SG Gaming

#### A new and exciting twist to Blackjack

Depending on the dealer's card, you may have the chance to bring a busted hand BACK TO LIFE. If you bust and the dealer's card is a seven through ace, the dealer will move your cards and original BJ wager to the BACK TO LIFE card box. If the dealer busts with a point total of 23,24,25 or 26, the player is paid even money on the wager. Everyone can be in the hand until the end of the game cheering for the dealer to bust together!
