

## Galaxy Macau & Broadway Macau Factsheet

### Overview

Galaxy Macau™ and Broadway Macau™ are the most spectacular leisure and entertainment destinations in the world, comprising an integrated resort of over 1.1 million square meters.

Opened in May 2011, Galaxy Macau quickly gained the reputation for being a genuine playground of Asian luxury and diversity where a *World Class, Asian Heart* service philosophy comes to life. Being the first resort to open in Macau since 2012, the new chapter of Galaxy Macau offers even more unlimited experiences to meet guests' growing desire to explore a wider world of indulgence, style, fun and privilege.

Broadway Macau brings a brand new entertainment and leisure concept to Cotai, the resort has worked with local SMEs in retail, food and beverage, making these time-honored brands the majority of tenants at Broadway Macau.

Galaxy Macau and Broadway Macau are strategically located on the Southern Coast of China, just one hour from Hong Kong by ferry or 15 minutes by helicopter. Situated in the heart of Cotai, guests can enjoy the convenience of Galaxy Express shuttle services for travel between Galaxy Macau and the Macau Ferry Terminal, the Taipa Ferry Terminal, Macau International Airport, Border Gate, Lotus Border, StarWorld Hotel and Broadway Macau. By the end of 2018, Broadway Macau has implied new direct bus route from Hong Kong-Zhuhai-Macau Bridge to the Hong Kong International Airport.

### Leisure

The amazing 75,000 square-meter Grand Resort Deck is at the heart of the Galaxy Macau experience. Authentic resort features offer guests all the pleasure of a tropical holiday in Macau. Selected features include:

### **Design**

- Galaxy Macau is committed to building a healthy and sustainable future, having obtained a LEED Gold Certification by the United States Green Building Council. Galaxy Macau is identified as an impressive example of sustainable design and a leader in making the building industry greener
- Expressing the histories of Chinese, Macau and Portuguese, Lai Heen is the most spectacular and highest Chinese restaurant in Macau. Designed by up-and-coming agency Strikland founded by Yohei Akao, Lai Heen at The Ritz-Carlton, Macau is the highest Chinese restaurant in the city and also has the largest table in Macau, seating 24. Lai Heen truly exemplifies the finest level of craftsmanship, providing a truly exclusive dining venue in which to delight in the high culinary art of the hotel
- Interesting art pieces are all around at Galaxy Macau. Symphony of Lights, designed and installed by renowned Korean-American artist Soo Sunny Park, provides a grand entrance to the JW Marriott Hotel Macau. Park is best known for transforming quotidian building materials, such as dry wall, insulation, and mesh, into sublime installations that highlight the interplay of light and form. Here, undulating sections of stainless steel mesh are fitted with dichroic plexiglass diamonds, which fill the space with colored shadows and reflections
