

Best Electronic Gaming Solution  
Scientific Games – Jin Ji Bao Xi

Why Jin Ji Bao Xi deserves to win as best electronic game solution?

- Jin Ji Bao Xi (or JJBX as it is affectionately known) meaning in English to announce good news/luck is the latest multi-denominational symbol driven linked progressive jackpot from Scientific Games.
- Released in December 2017 on the Dualos cabinet, the huge success of this product with Operators and the way it has resonated with players throughout Asia has seen Jin Ji Bao Xi roll into Macau, Philippines, Malaysia, Cambodia, Singapore and soon to follow in Vietnam and Korea.
- Jin Ji Bao Xi can be seen in the following properties in Macau: Galaxy Macau: City of Dreams, Studio City, MGM Grand, MGM Cotai, Grand Lisboa, Sands Macau, The Venetian Macau, Sands Cotai Central, The Parisian Macau, Wynn Macau, Wynn Palace.
- To date, the largest JJBX installation on a single property is in the Philippines with 106 units.
- Launched with Echo Fortunes and followed up with Endless Treasure, the third game Prancing Pigs has just been released into what has become SG's most successful link product since the 2013 smash hit Duo Fu Duo Cai.
- Jin Ji Bao Xi has something for everyone appealing featuring a multitude of denomination packs and jackpot parameters that appeal to venues and players.
- The latest introduction of a deluxe High Limit denomination offering and VIP Standalone progressive versions, has seen the phenomenally successful Jin Ji Bao Xi grow in numbers and strength as a product that appeals to both mass and VIP players.
- Due the popularity throughout Asia of Jin Ji Bao Xi, SG has released a version into the Australian, American and EMEA regions with each market growing daily.
- SG are very pleased to submit Jin Ji Bao Xi (JJBX) as our nomination for Best Electronic Gaming Solution for 2019.
